Re: Request for Return of Records and Request for Discovery

Dear Mr. Wanner:

Your request was forwarded to me because I am the Freedom of Information Act/Privacy Act contact for the office. You first request all files, records and other items taken. I interpret this as request for return of such items taken from you. I have forwarded this to the AUSA who prosecuted your case for his attention.

You also request discovery. Requests for such records are treated as requests under the Freedom of Information Act (FOIA) and/or Privacy Act. As such, your request has been forwarded to the FOIA Unit in the Executive Office for United States Attorneys in Washington, D.C., as required by regulation. The FOIA Unit is the component responsible for processing FOIA/Privacy Act requests made to United States Attorneys' Offices. The address and telephone number for the FOIA Unit are:

175 N Street, NE, Suite 5.400  
Washington, D.C. 20530-0001

Please direct any future correspondence regarding this aspect of your request to the FOIA Unit.

Sincerely,

NICHOLAS W. CHASE
